### List of Jewish Shills

- October 18, 2020

**Damage Control is Euphemistically deceiving the public.**

There are numerous sites that list Jewish shills, but I will list every Jewish damage controller and shill that I know of.

It's already well-established that the Jews control the mainstream media, but not that they control the alternate media. The Jews control almost all of the alternate media, too. One has to wonder if these Jews are really trying to be heroes. However, this isn't the case, as crimes (and legal deviousness) are still widespread. In public relations, damage control is a euphemistic way to lie to people, trying to minimize a negative event or situation or a series thereof. When a Jew does a crime, his or her fellow Jews will label him/her as someone of another race or ethnicity like "Pagan Norwegian immigrant", or something of the like. In these events, the Jews defending the suspect of their kind will say something along the lines of, "He's a nice guy. He would never do anything like this." Or even more "tragic" is, "Why would my son do this to these innocent people? He's a loving young man who always wants to help people." Those who certainly have an idea on how depraved the Jews are, would know that these kinds of statements are just damage control in and of themselves. At this point, it should no longer be a surprise that asylums (mental institution is a more familiar word) are also damage control by Jews who are trying to prevent criminals of their kind from being smited.

There are hundreds of prominent Jewish "truthers" promoting half-truth information, pointing to "Israel", "Zionists", "Globalists", "elites", "corporations", "Freemasonry", the "Illuminati", or any race except the Jews in order to distract us, using "liberals vs. conservatives" or similar nonsense to divide and divert us from the real problem, or omitting the fundamental facts to protect their tribe. These Jewish subverters want people reviewing tons of useless information instead of actually doing anything.

These Jewish shills will often point to some truly destructive movement, organization, or ideology but will never mention the Jews behind it. The truth

as far can be determined is that every, or nearly every false or corrupt or degenerate popular movement in history and in current affairs has had Jews as their strongest and most vocal proponents. These shills will never mention this very important observation. They may blame "communists", "feminists", the "current political system", "corporations and the media" and so on but will somehow omit mentioning the Jews who act as a link to these and countless other problems in society. Or, they may tell the truth about Jews a large portion of the time but will also mention some non-Jewish race or group to instigate hatred between humans, thus ultimately diverting us from understanding the Jews in the fullest way. (This tactic is especially common among members of the "white nationalist" and neo-Nazi movements.) Or, they will mention the role of the Jews in one or two depraved examples but will refuse to mention the Jewish hand behind the thousand and one other false or corrupt ideas, activities, movements, and ideologies that continue to plague the planet. Essentially, what all these shills attempt to do is hide the full truth about the Jews and their connection to these problems in every way possible. They will always blame some other group and deliberately avoid or otherwise "minimize" the Jewish connection.

Almost all of the "truther" media are owned by Jews. Just because someone states something true about Jews doesn't mean he or she is not a shill. Most of them "out" more obvious shills like Alex Jones to try to legitimize themselves when they are shills as well.

Everything that appears on the Jewish owned media is for the benefit of Jews only. The Jews only give publicity to "anti-Semites" who are "useful idiots" or are secretly working with the Jews.

Folks, do not be tricked by these shills. It's not complicated - know the fundamentals of Jewish history, including their mass murders, the Jew Stalin (real name: Dzhugashvili) and his Bolshevik gulags, the Jewish Federal Reserve, the Jewish promotion and aggrandizement of corruption and immorality in all forms, the Jew FDR and the Pearl Harbor false flag, "the Holocaust", the Jews during 9/11, the Jews running America and Russia even before Stalin, etc. Time is short! You don't need to be an expert on these matters, but try to educate yourself and others about the Jewish World Order.

**If you are doing nothing to repel the evil and corruption surrounding you, or to dedicate yourself to educating others and looking for and spreading the truth, you have no right to complain of the consequences.**

**Don't be fooled by what a person *claims* to be. Don't be tricked by people who boast about the money they have, the degrees, awards, or publicity they get, or their "high IQ". Judge these Jews - and everyone else - by what they are actually doing to the world. Be suspicious of and analyze everyone - no exceptions!**

## ***Jewish Shills***

Lauren Southern (real name: Lauren Simonsen)

Lauren Southern (real name: Lauren Simonsen) - typical seductive Jewish female appealing to the lowly instincts of the crowds and portraying herself as a heroine of various movements and causes. Southern has worked for numerous known Jews, including Ezra Levant and Stefan Molyneux.

It doesn't

get more obvious than this.

Veronica Rothman ("Evalion")

Veronica Rothman ("Evalion") - another Jew claiming to be a "White nationalist" who maintains a high role in the Jews' social media networks.

Faith Goldy

Faith Goldy - Jewish shill and another seductive siren. Goldy contributed to *The Rebel Media*, which was founded by the Jew Levant. She also was involved in the staged "Unite the Right" 2017 rally in Charlottesville, Virginia and appeared in an interview on Jew Anglin's website *The Daily Stormer*.

Alan Sabrosky

Alan Sabrosky - another Jewish shill who mentions "Zionists" are the problem, and not Jews.

Alan Watt

Alan Watt - "woffles" on for eternity, but dares not mention Jews in the whole conspiracy. Connects up with Alex Jones.

Mike Cernovich

Mike Cernovich - Jewish political commentator who is a regular host of *The Alex Jones Show*.

Alex Jones: "It's the globalists that are the problem."

Alex Jones and his associates at Prison Planet, etc. - very dangerous to Truth. His wife and children are openly Jewish. Aggressive fear-based material. Comes out with real "clangers" such as, "The Arabs run Hollywood."

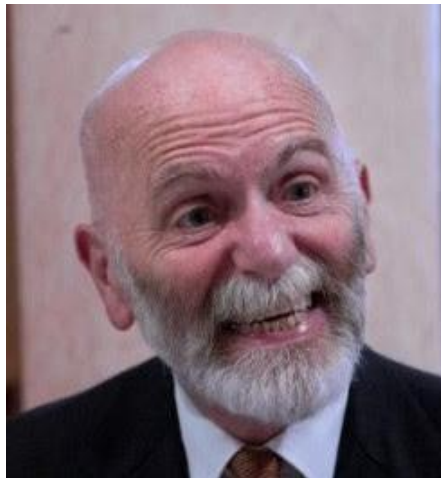

Alex Linder

Alex Linder - another atheistic, crinkly-eyed Jewish shill who leads the "White Supremacist" movement. His website, VanguardNewsNetwork.com, is hosted by DreamHost, which was founded by a Jew, Sage Weil. Of course, a genuinely anti-Jewish site would have been closed by the Jews' web hosting servers before it would have been able to obtain the same level of popularity as Jew Linder's VNN - a clear red flag. Linder also worked for CNN, which is an obviously Jewish-owned news network. Would Jews ever allow a "Gentile" to become a paid contributor to a Jewish media outlet? Very unlikely. He even supports the "official" news story of the faked Sandy Hook "shooting". Linder was also diagnosed with Crohn's disease, which is an especially common illness among Jews. So, all evidence points to Linder being another verbose and nasally-voiced Jew.

Andrew Anglin

Andrew Anglin - another Jew playing good cop.

Renaud Camus

Renaud Camus - Jewish progenitor of the Jewish sensationalist propaganda called "White genocide".

"Camus's *Le Grand Remplacement* can be seen as a kind of atonement. One of his central arguments is that Muslims cannot be tolerated en masse because of the apparent threat they pose to Jews. This is a view that he expresses in crude, reductive statements - but that most of the French elite have by now completely accepted, especially since 12 Jews have been murdered in France over the past 15 years (in each case by at least one assailant of West African or North African descent). Well-heeled readers of *Le Figaro*, however, still prefer a euphemism for this phenomenon. They call it *le nouvel antisémitisme* (the new anti-Semitism), but everyone knows which perpetrators are implied.... Performing philo-Semitism - or at least anti-anti-Semitism - has become something of an obsession for Camus. These days, he has been painting a series of canvases that depict the Hebrew letter aleph. Likewise, in his platform for the European Parliament elections, he wrote that the creed of tolerance preached by liberal elites 'has inaugurated a world

where the Holocaust becomes more and more difficult to teach and where Jews are obligated to flee by the thousands."

"It is certain there is much in common between the situation of Israel and that of Europe, and an alliance is extremely desirable. Europe is a sort of a great Israel, threatened from all sides. Its peoples, alas, are far from showing the same attachment to their land, the same fidelity to their membership, the same spirit of resistance, as the Israelis - perhaps because they have been persuaded, precisely, that they were not a race, hardly a civilization, just an idea, this poor thing, a right, and what is worse, a right of others, a right for others, a right of the other. The Israelis have great lessons to give us, as do the Hungarians, the Poles, the Czechs, and now the Austrians.... I do not know if it is deceitful, probably a little...Europe persists in expiating, or believing they are expiating, the horrors inflicted on Jews during the last war by importing onto its territory millions of people, who, as soon as they are here, have nothing more urgent than to inflict horrors on Jews. Racism turned Europe into a field of ruins; anti-racism is making it a hate-filled slum. In both instances, the first victims are the Jews."

Guillaume Faye

Guillaume Faye - another Jewish shill from France who popularized the idea that "Muslims" are to blame rather than Jews.

Alain de Benoist

Alain de Benoist - another Jewish shill who tries to shift attention away from the Jews.

The hooked nose and lizard eyes are clues.

Anthony Hilder - same old story, prattled on about the "New World Order"/"Illuminati" and made money from flogging his videos.

Art Spiegelman

Slanting, lizard-like eyes, rat's ears, hooked

nose - Buchanan's face is about as "Jewish" as can get, without even considering the constant presence he has on blatantly Jewish media outlets like Fox and MSNBC which cannot possibly be granted to someone outside of the Jewish tribe.

Pat Buchanan - another Jew promoting falsehoods such as, "The problem is 'Israel' and the 'Zionists', not all Jews", and the "myth" known as "the Holocaust". He never mentions Jews as the problem. But what can be expected from someone who is constantly on media outlets like Fox and

CNN, which are so obviously owned by Jews, and who served as White House Communications Director under the Jew Reagan's administration? Buchanan is also a Catholic. Many Catholics are secret Jews and the Catholic Church is controlled by Jews. He even went to a Jesuit high school. The Jesuit movement was founded by Ignatius Loyola, a secret Jew. Buchanan also promotes the Jewish lie that Putin is a hero who will save the world when in reality, he is a Jew working for the Jewish cause. Note the facial resemblance between Buchanan and media personality Joe Franklin (real name: Joseph Fortgang), who was openly Jewish.

Hook-nosed Jew Buchanan with fellow Jewish kin Paul Gottfried and Richard Spencer.

"The original concept of the Alternative Right emerged from paleo-conservatism. Paul Gottfried, the Jewish founder of the paleo-conservative movement, declared the end of paleo-conservatism and called for an 'Alternative Right' in a 2008 speech for the H. L. Mencken Club."

"Gottfried is also the first person to use the term 'alternative right', when referring specifically to developments within American right-wing politics, in 2008. Richard B. Spencer co-created the term with Gottfried while working together at Taki's Magazine and helped it to gain wide currency through media attention surrounding conferences organized by his think tank, the National Policy

Institute."

"Gottfried did his undergraduate work at Yeshiva University, Modern Orthodoxy's flagship institution, and received his doctorate from Yale, according to the website of Elizabethtown College in Pennsylvania, where he spent much of his career and is still listed as an emeritus professor.

"He's a political philosopher and intellectual historian who over the course of his academic career published prolifically with mainstream and elite presses: 'The Strange Death of Marxism: The European Left in the New Millennium,' by University of Missouri Press, in 2005, for example, and in 1999, 'After Liberalism: Mass Democracy in the Managerial State' by Princeton University Press.

"He also devised the term 'paleoconservative' for conservatives who value limited government, tradition and Western identity."

"In 2008, Gottfried founded and still runs the H.L. Mencken Club, to create conferences that would provide a regular gathering place for conservatives like himself. According to the Southern Poverty Law Center, these conferences have from their first meeting served to bring together 'racists and white nationalists.'"

"William Regnery II, a man who inherited millions but struggled in business, tried for 15 years to ignite a racist political movement - and failed. Then an unforeseen phenomenon named Donald Trump gave legitimacy to what Regnery had seeded long before: the alt-right. Now, the press-shy white separatist breaks his silence.... He joked that Paul Gottfried, one of his Jewish

allies, would be OK."

"[Richard Spencer] co-founded The HL Mencken Club, along with Paul Gottfried, William Regnery, and others, in 2008, after a sort of 'conservative purge' took place at a small paleo organization called The Association of Philosophy and Letters, which had been run by Gottfried and Claes Ryn."

So, the "paleo-conservative" and "alt-right" movements were founded by a self-confessed Jew. This is no surprise when considering the immense popularity of the term "alt-right" and the constant mention of this and other trendy Jewish nonsense terms by the Jewish media. It's certainly no coincidence that both these terms, which were coined by Gottfried are so commonly and frequently used by Jewish sources.

According to the "Prominent people" section of the Wikipedia entry for "Paleoconservatism", 1/6 prominent paleoconservative politicians, 1/9 philosophers and scholars, and 1/5 journalists are openly Jewish. These statistics don't even include the "paleoconservatives" who are secretly Jews like Pat Buchanan.

Richard Spencer has described Paul Gottfried as his "mentor".

Spencer's maternal grandmother was a Jew by the name of Birdie Eckstein. Spencer calls himself "the Karl Marx of the alt-right". As both these figures are Jews, this comparison seems appropriate.

"Stephen Miller [Trump's Jewish Senior Adviser] drew praise from top white nationalist Richard Spencer, who hopes Miller will 'do good things for white

America.'

"President-elect Donald Trump's newest pick to be a senior adviser in the White House has long ties to a prominent white nationalist, who sees him as an ally of the movement.

"Spencer and Miller first came to know each other in the late 2000s as students at Duke University, where they both belonged to the Duke Conservative Union. Miller earned notice for standing up for Jewish lacrosse players falsely accused in 2006 of gang raping a black woman. Spencer also defended the Duke lacrosse players, writing about the case for Pat Buchanan's *American Conservative*, which later hired him as an editor.

"Spencer told me that at Duke, Miller helped him with fundraising and promotion for an on-campus debate on immigration policy that Spencer organized in 2007, featuring influential white nationalist Peter Brimelow. Another former member of the Duke Conservative Union confirms that Miller and Spencer worked together on the event. At DCU meetings, according to a past president of the group, Miller denounced multiculturalism and expressed concerns that immigrants from non-European countries were not assimilating.

"I knew [Miller] very well when I was at Duke,' Spencer told me when I visited him at his home in Whitefish, Montana, a few weeks before the election. 'But I am kind of glad no one's talked about this, because I don't want to harm Trump.'

"During the campaign, Miller, as a senior adviser to Trump, warmed up crowds

at Trump rallies with fiery, populist speeches drawing from a nativist playbook. 'We're going to build that wall high and we're going to build it tall,' he proclaimed at a Trump event in Dallas in June. 'We're going to build that wall, and we're going to build it out of love. We're going to build it out of love for every family who wants to raise their kids in safety and peace...We're building it out of love for America and Americans of all backgrounds.'

"Spencer expressed hope that Miller and Trump would build a border wall, crack down on illegal immigration, and further restrict legal immigration as well. Spencer said, 'Could Miller and Trump do good things for white Americans? The answer is yes.'"

"I would say, if I were to have a beer with Netanyahu I bet we would agree on everything. I think we would see eye to eye."

- Richard Spencer

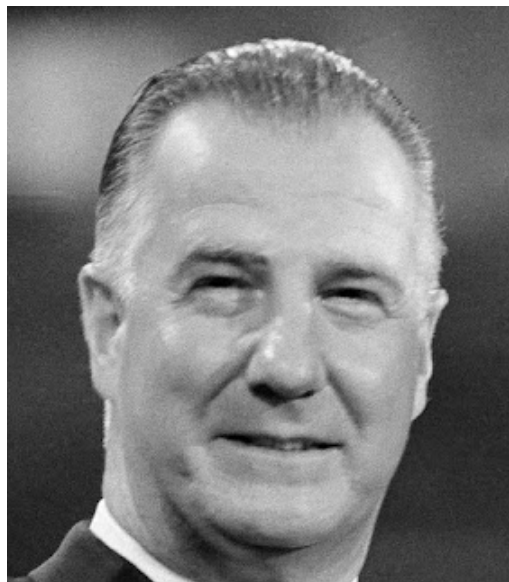

Who do you think controls Donald Trump, the Republican Party, and all those stupid click-bait Alt-Right websites? The Jewish oligarchs who give them money.

While paid Jewish shills indulge in silly childish Jew-baiting in both the cyber world and "real world", the Jewish media can howl in indignation about the rise of "anti-Semitism" which they themselves fomented.

Panagiotis "Taki" Theodoracopulos

Taki Theodoracopulos - owner of *Taki's Magazine*. Teams up with Buchanan and Spencer and is part of the Jew-controlled "conservative" movement. The fact that he is Greek should be warning enough considering many modern Greeks have Jewish blood.

Spiro Agnew

Spiro Agnew - another Asiatic-looking Greek Jew who claimed "Zionists" were the problem and a major figure in the "conservative" movement.

Josh Seidel

Josh Seidel - another Jew who is a Trump supporter and part of the "alt-right" movement.

Benjamin Freedman

Benjamin Freedman - another Jewish shill who sold people on the idea that the "real Jews" are the Khazars. All Jews are related by blood.

Ben Shapiro

Ben Shapiro - a recent Jewish shill with a nasally voice who claims to be against gun control.

Benjamin Fulford - a Jew who never mentions Jews as the problem.

Bill Cooper

Bill Cooper - another Jewish shill who claims that Jews are not the problem.

Bobby Fischer

Bobby Fischer - another Jewish shill who claimed to reject his Jewishness.

Brian Gerrish

Brian Gerrish - tags along with Jews like Alex Jones and David Icke.

Brother Nathaniel (real name: Milton Kapner)

Brother Nathaniel (real name: Milton Kapner) - claims to be a Christian, but is still at heart a Jew. A Jew can be an atheist or be of any religion and still be considered a Jew.

Carolyn Yeager

Carolyn Yeager - Jewish shill who claims that Jew Trump is a savior for America when his cabinet is full of obvious Jews and when he could not possibly have been put in the position where he currently is without Jewish support. Collaborates with the South Italian Jew Deanna Spingola.

Charlie Veitch

Charlie Veitch - Jewish shill conditioning truthers to hug police officers, to love our adversaries. He also now supports the official 9/11 media story.

Charlie Sheen

Charlie Sheen - Jewish half-truther and mate of Alex Jones.

Charlotte Iserbyt

Charlotte Iserbyt - Jewish shill who claims to "expose" the education system but never mentions the Jews who control it.

Eric Schlosser

Eric Schlosser - Jewish author of *Fast Food Nation* who claims to "expose" corruption in the fast food industry in his work, yet doesn't give a single mention of the Jews behind it all.

Nicholas Carr

Nicholas Carr - Jewish author of *The Shallows*, a book that "exposes" social media and online degeneracy while ignoring the Jews responsible for it. Curiously, never points out that the only reason the Internet is a "honeypot" for degeneracy is because the Jews control nearly all of it in the first place. But what better can be expected from a book that has won numerous awards and praise by the mainstream (Jewish) media?

Such mass-readership, "high-sounding" works like Carr's, that are distributed by well-known publishing companies, win "prestigious" awards, and are given attention by popular media outlets like the *New York Times* are guaranteed to overlook the full truth.

Michel Chossudovsky

Michel Chossudovsky - Jewish shill who directs the Centre for Research on Globalization (CRG). Anyone who says a Jew can be against globalization is either gravely mistaken or a liar.

Christopher Bollyn - tags with Jeff Rense, Daryl Bradford Smith, and Eric Hufschmid.

Christopher Greene

Christopher Greene - another Jewish shill who doesn't mention the Jew as the problem.

Daryl Bradford Smith - another Jewish shill.

David Duke

(I have expounded on Duke in [this article](#).)

David (the first name is a clue) Duke - another womanizing Jewish shill. Refuses to state a solution to the Jewish Problem. Exaggerates "Israel" as the major source of the world's issues despite the obvious fact that most acts of crime and degeneracy by Jews are committed outside that country, countless numbers of whom have never even set foot in that country in their entire lives. A Jew doesn't "become" evil simply by supporting Zionism; still less is he benevolent by expressing distaste for the Jewish State. Also supports the idea that Russia will save the world from "Zionism", when in reality, the country has long since been in Jewish control. He even claims that *The Protocols of the Learned Elders of Zion* is "literary fantasy" and that "most Jews are innocent".

Duke has been given interviews on TV networks, including CNN, and is

constantly being promoted by the Jewish oligarchs. Does that sound like something that would happen for a non-Jew?

The Ku Klux Klan is an organization full of Jews pretending to be "White men" who seemingly are not mixed with Jewish blood, and Duke, a former grand wizard of the KKK, is no exception.

Jordan Gollub

Jordan Gollub - Jewish "White nationalist" who was a Grand Wizard of the Mississippi branch of the KKK.

"There was a lull in Klan anti-Semitic activists but that ended when Gollub stepped onto the scene as 'head' of the 'Ku Klux Klan.' He immediately received great fanfare by the news media as a 'spokesman' for 'rightists'.

"The Jews at the ADL and SPLC called him a 'Venomous monster'. The southern press praised his dastardly deeds and gave him enormous publicity. He led numerous marches throughout Mississippi - often intimidating Negroes with lynching.

"It turns out he was Jewish and a homosexual. He quickly dropped out of

sight, but not before leaving the impression that his element will attempt to pressure public opinion from dark and devious haunts."

William Potter Gale

William Potter Gale (né Grabifker) - Jewish shill who led various "racist groups" including Posse Comitatus and Christian Identity.

Jeff Schoep

Jeff Schoep - Jewish head of the National Socialist Movement (NSM).

Schoep even married a half-Syrian Jew.

Don Black

Don Black - founder of Stormfront, a "White nationalist" forum. The "White nationalist" movement is Jew-infiltrated. The KKK, Stormfront, and VNN are typical Jewish operations that come to mind. Many of these "name-brand" "White activist/commentator" types like Black are Jews playing a role. As with the rest of the Jewish-controlled media, no one is what he/she seems to be. Black even supported Ron Paul and Trump during the 2008 and 2016 US presidential "elections".

Black and his website only began to receive national publicity after the Jewish TV network HBO released the documentary *Hate.com* in 2000. Don Black's son, Derek, wrote an article for the Jewish Southern Poverty Law Center (SPLC).

Another famous "Don Black" is a Jewish musician from England (an "English Jew") who was born in 1938. His parents were Jews from Russia. Lyricist Black's real name is **Donald Blackstone**. Also, compare photos of "White nationalist" Black with Jewish actor Elliott Gould (real name: Goldstein). Although some differences exist in the curlier hair and in the darker eye color of Goldstein, the resemblance in the visage is uncanny, and not worth

overlooking. The climax of absurdity is reached when a "Black" purports to be a champion of a seemingly "white" cause.

Don Black's son Derek Black with fellow Jew Matthew Stevenson, in attendance at one of his weekly "Shabbat dinners" in college.

As with the other Jewish shills, simply take a closer look at the connections these people have had during their lives, the publicity they get, and the people they support. To those whose minds are not closed to the facts, their connections with other Jews are often blatantly obvious. Real anti-Jewish people are far from being promoted or helped by Jews; rather, they are censored and suppressed, even tortured and killed by the Jews who dominate the leadership positions of society.

Gerrit Pretorius

Gerrit Pretorius - owner of TheApricity.com, a website that relies on fake post-WWII Jewish anthropology to try to "justify" Jewish pseudoscience.

Is it a coincidence that TheApricity.com and all other "White nationalist" websites rely on Jewish-owned and Jewish-controlled technology services? In this case, the Internet forum software package that Pretorius' website uses is known as vBulletin, which is owned by Internet Brands, **a Jewish-controlled company**. Jew Black's Stormfront and Jew Linder's VNN also rely on this Jewish software package for their websites.

David Icke. The thick lips are a clue to his Jewish origin.

David Icke (also called Mr. Lizard) - it's enough to look at whom he associates with.

David Irving

David Irving - Jewish shill who denies the slaughter of non-Jews during and before WWII by Jews.

David Miliband

David Miliband - never outright states that the Jews are the problem.

Edwin Black

Edwin Black - Jewish journalist who wrote about the Transfer Agreement and *War Against the Weak*, a history of the eugenics movement. Never mentions that Jews used the eugenics and racist movements as a way to encourage dysgenic and anti-racial practices among non-Jews following the Jew Hitler's Nazi regime, which was set up by Jews for that reason.

David Wilcock - involved with the Jewish Project Camelot.

Deanna Spingola

Deanna Spingola - mentions "Zionists" but not Jews as the problem. If that isn't enough proof, her surname is of South Italian origin. South Italy and Rome (the city) have been inhabited and corrupted by Jews for thousands of years.

Dylan Avery - Jewish producer of the film *Loose Change*. The film is full of half-truths. Not one mention of Jewish involvement throughout it. Besides this, practically all actors and other people involved in dramatic and theatrical works are Jews. Those very few dramatists who are not Jewish are still a part of the Jewish World Stage.

Jason Bermas

Jason Bermas - Jewish producer of the film *Loose Change*.

Korey Rowe - Jewish producer of *Loose Change*.

Edward Snowden

Eric Jon Phelps

Fabian Calvo

Fabian Calvo - a good example of a deceiver and shill who never mentions the Jew as the problem. Instead, rambles on about saving the Constitution and bringing down the "global elite".

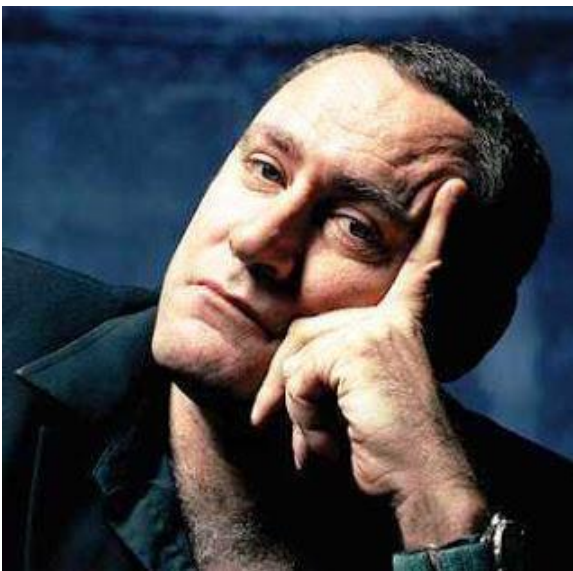

George Carlin - Jewish comedian joke who never mentions Jews as the problem.

George Galloway

George Galloway - another Jewish shill playing Good Cop.

Gerald Celente - gives consistently inaccurate information regarding financial forecasts. Never talks about Jewish usury all the time he discusses the financial markets.

"Former Jew" is something that would come out of a liar's mouth.

Gilad Atzmon - a Jew who claims to "denounce" his Jewish genes. You don't change genes by converting to a different religion.

Glen Beck

Glen Beck - Jewish shill appealing to everyone's emotions.

Adolf Hitler

Adolf Hitler - why is he here, you might ask? Wasn't Hitler a hero who fought against the Jews?

This deception about Hitler being a hero is exactly what the Jews want us to

believe. The people worshipping Hitler don't realize that they have been worshipping a Jew. Like that famous writer said, "It's easier to fool people than to convince them they have been fooled" (Samuel Clemens, better known as Mark Twain). Hitler didn't do anything to stop the Jews. He put the Jews in camps, bailing them out of the war and protecting them while the best of the Germans and other non-Jews were being killed in battle. See this [list of Jewish Nazis](#).

Glen Greenwood

Glen Greenwood - Jewish tribe member acting as a "disinfo" agent.

Gordon Duff - Jewish disinformation agent.

Henry Makow

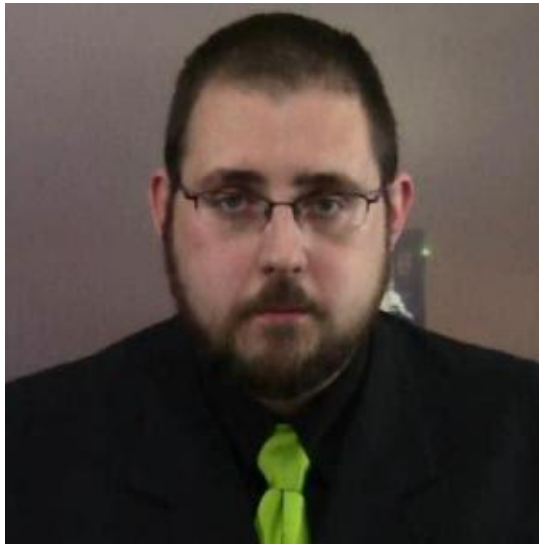

Henry Makow - a known Jew who gives half-truths and distorted facts.

Ian Crane - does not touch the Jewish connection despite skimming over "Zionism".

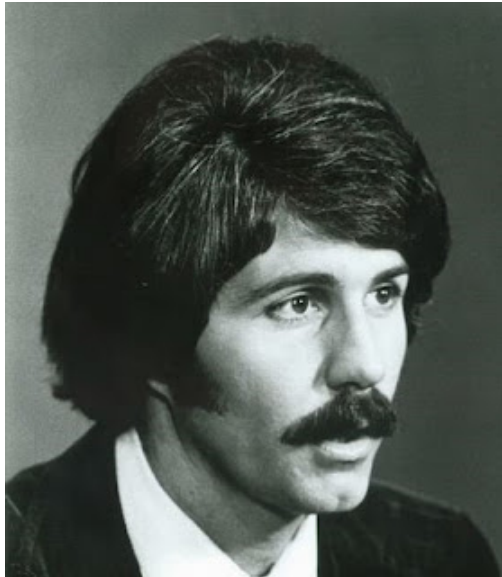

Jack Blood - another Jew who promotes half-truths and disinformation.

James Corbett - from the Corbett Report, same story as Gerald Celente. Icke promotes his work.

Jason Unruhe

Jason Unruhe - leader of Maoist Rebel News who never points out that the Communists he attacks are Jews.

Jeff Rense

Jeff Rense (also called Mr. Hairdo) - another egoist in the movement, propagating half-truths and disinformation.

Jesse Ventura

Jesse Ventura - buddies up with Jones. Never mentions the "J" word in the whole conspiracy - therefore has a TV program on conspiracies. Utter "bollocks".

Another hooked-nose Jewish goblin.

Jim Lobe - Jewish reporter who plays good cop.

Jim Marrs - again talks all the time about the "New World Order", but will never touch the "J" word.

John Alan Martinson

John Alan Martinson - another Jewish spy. Says that Hitler was a hero and wears swastikas. Sells people onto the idea that Jews can cease to be Jews if they reject Judaism and "stop being evil".

Mike King

Mike King - another popular Jewish shill who sells people the idea that Hitler was a hero, and that there are good Jews.

Arthur Topham

Arthur Topham - Jewish shill from Canada who claims Hitler was a hero. Topham's wife Shasta is Jewish.

John Friend

John Kerry

John Kerry - just another Jew playing good cop.

Jonathon Kay - total Jewish shill exposing his disinformation on 9/11.

Jordan Maxwell - mentions everything except the Jews. Goes along with Zecharia Sutchin's material on "Annunakis".

Jordan Policicchio

Julian Assange

Jimmy Wales

Jimmy Wales - another Jew playing "good cop" on the Internet.

Fredrick Brennan

Fredrick Brennan - Jewish founder of 8chan.

"Fredrick Brennan's first job was as a paid employee of Aaron Parnes, a Brooklyn Orthodox Jew who owns and operates internet marketing company Razor Clicks."

All the "chan" sites (8chan, 4chan, and 2chan) are controlled and operated by Jews.

Christopher Poole

Christopher Poole ("moot") - Jewish founder of 4chan, a platform that tries to promote hate between non-Jews, spread degeneracy, and divert attention away from the Jews. Poole was succeeded by Nishimura (listed below) and is now an employee at Jewish-controlled Google. Poole's mother is alleged to be a banker Jew.

See also this post: [Jewish Subverters of Technology](#).

Hiroyuki Nishimura

Hiroyuki Nishimura - hook-nosed Jew pretending to be a Japanese man who is the founder of 2channel and the current owner of 4chan. If anyone thinks Jews don't control the media in Japan, East Asia and other non-Western countries, simply take a closer look at these creatures' physical appearance and their devious behavior.

So much for "exposing" Jews.

Kevin MacDonald - Jewish shill who spouts half-truths, and who is according to the Jewish media "a celebrity within white nationalist and neo-Nazi circles." According to the Jew-run SPLC, MacDonald is also "the neo-Nazi movement's favorite academic." It can't just be a coincidence that the Jewish media promotes him as "the major anti-Semitic scholar" of the present generation. He is a psychologist and a behavioral geneticist, and almost all famous psychologists and geneticists since the end of World War II have been Jews. All so-called academic fields have been dominated by Jews since then. MacDonald was roommates with Jews during college. His adviser at the University of Connecticut for his biobehavioral doctorate was a Jew, Benson Ginsburg, a "founder and leader of modern-day behavior genetics". Turns out MacDonald himself is Jewish.

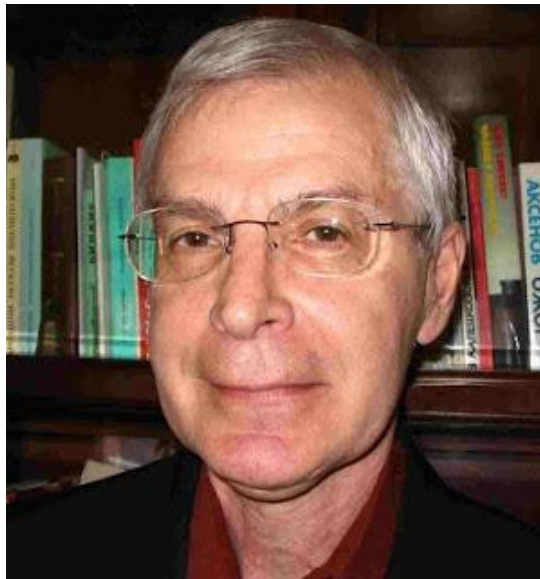

MacDonald's famous *Culture of Critique* trilogy was edited by the psychologist and professor Seymour Itzkoff, who is openly Jewish. His blog characterizes Jews as "highly intelligent, good parents, and patriots fighting to preserve their people". Also, tries to underplay the influence of the Jews by using the far from adequate euphemism "ethnic group". "Ethnicity" is precisely along

the lines of what the Jews want us to think of their race. They are a race, folks. He was another public supporter of Jew Trump during the 2016 presidential election.

In old age, MacDonald begins to look more and more like a typical "Israeli Jew", betraying his real racial origins. He wouldn't look out of place on the streets of "Tel Aviv".

MacDonald is also an atheist, yet promotes the "Catholic" secret Jew Buchanan's blog as an evolutionary scientist. Buchanan has written numerous short articles where he attempts to "deny" evolution. One sees a similar pattern with many of these shills: Although they claim to differ on fundamental topics, they still promote one another's work, because the same beneficiary compels all their work. As goes the old Jewish proverb: "If you don't understand why something happens, look for the one who gets the profit." They all serve the Jew, folks.

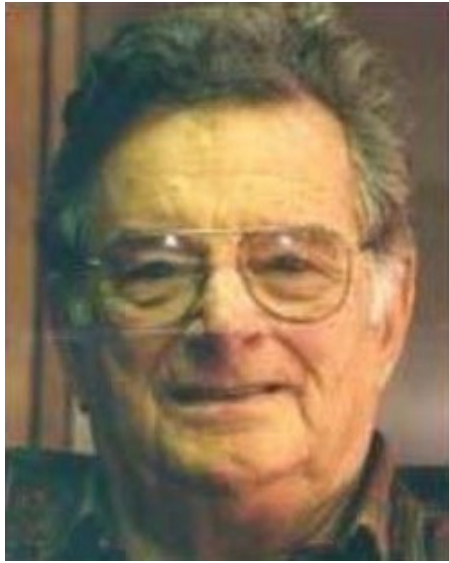

John Glad

John Glad - another Jewish "academic" shill who was a contributor to *The Occidental Quarterly*, whose editor is Kevin MacDonald, and *Mankind Quarterly*, which was co-founded by Roger Pearson, who was also the founder of the Northern League, a Nordic supremacist organization.

Greg Johnson

Greg Johnson - another Jewish shill who leads the "White nationalist" and "alt-right" movements. Johnson is editor of Counter-Currents Publishing and helped establish *The Occidental Observer*, the online variant of *Occidental Quarterly*.

Nathaniel Weyl

Nathaniel Weyl - Jewish shill who was a supporter of the Communist Party before becoming a "conservative" and "anti-Communist". In the journal *Mankind Quarterly*, Weyl wrote the article, "The threat of genetic decay", in which he claimed that racial intermarriage and "egalitarian ideology" would "bring into existence future generations so mediocre and spiritless that they will serve as pliant instruments of the gargantuan state". *The Northlander* (which was managed by the Northern League) reprinted the article in August 1978.

Kim Schmitz

Kim Dotcom (real name: Kim Schmitz) - founder of Mega Upload. If anyone thinks a Jew is going to be a hero for anyone except his/her own tribe, I disagree.

Laila Harre

Laila Harre - Jewish leader of the "Internet Party", which was funded by Kim Schmitz.

Lindsey Williams - another Jewish shill. All "waffle" and no substance. Just a gap filler.

Luke Rudkowski from WeAreChange - it's not just a coincidence that he slips into every high-profile meeting again and again.

Malkah B. Feldman - Jewish shill who claims that "Israeli" Jews "are all Palestinians now".

Another rat-faced Jew.

Mark Dice - another shill associated with Alex Jones and other shills.

Tommy Robinson

Tommy Robinson - co-founder and former leader of the English Defence League. Robinson has openly admitted to being Jewish on social media and was a former member of the Jewish British National Party (BNP).

Mark Collett

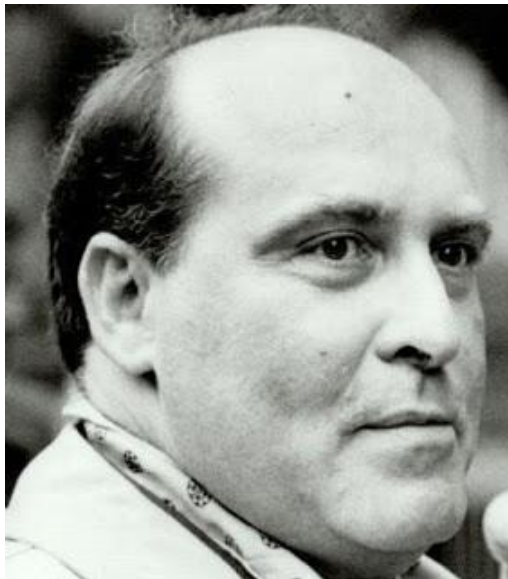

Mark Collett - another Jewish neo-Nazi and former leader of the British National Party who tries to give the Jews more sensational headlines to "justify" Internet censorship.

Collett began attracting national attention in 2002, after a documentary focusing almost exclusively on him called *Young, Nazi and Proud* aired on Jewish owned TV network Channel 4, in which he made statements celebrating the deaths of Africans from AIDS and expressed admiration for Adolf Hitler.

Another Jew with a sloped head.

Mark Glenn - Jewish shill. Mentions "Judaism" is the problem, but avoids mentioning the Jews behind that religion.

Looked like a cross between Benito Mussolini and a typical Jewish member of a mafia or crime syndicate.

"According to Toronto Sun columnist Mark Bonokoski, Zündel's mother was Gertrude Mayer, the daughter of Isadore and Nagal Mayer. Isadore Mayer was a trade union organiser for the garment industry in the Bavarian city of Augsburg.

"According to Bonokoski, Ernst's ex-wife, Irene Zündel, claimed that the possibility of being at least partly Jewish bothered Zündel so much that he returned to Germany in the 1960s in search of his family's Ariernachweis, a Third Reich certificate of pure Aryan blood, but was unable to find any such document for his family.

"In 1997, Zündel granted an interview to Tsadok Yecheskeli of the Israeli newspaper, Yedioth Ahronoth, that includes the following exchange:

"Zundel: If you are fishing for any political information, my father was a Social Democrat, my mother a simple Christian woman. Her father had been a union organizer in Bavaria, and of the garment workers' union. His name got him

into trouble because it was Isadore Mayer and, of course, he was called Izzy by his people and the people thought he...

"Yecheskeli: Was Jewish?

"Zundel: No, I don't...don't think so.

"Yecheskeli: Are you sure there's no Jewish blood in your family?

"Zundel: No."

"Under Jewish law, any child born to a Jewish mother is considered a Jew, regardless of the father's religion or nationality, and Ernst Zundel's mother was Gertrude Mayer, daughter of Nagal and Isadore (Izzy) Mayer, a union organizer for the garment industry in the primarily Jewish Bavarian town of Augsburg. It was Zundel's planned entry card into Israel. According to ex-wife Irene Zundel, the possibility that Jewish blood coursed through Zundel's veins at first bothered the future author of *The Hitler We Loved and Why* so much that he returned to Germany during the '60s to look for his family's 'einpass' - the certificate Hitler doled out to those born of pure Aryan stock... She also told investigators of how Zundel planned to use his 'Jewishness' to get him into Israel if it looked like he was bound for a jail cell in Germany."

Zuckerberg smiling at the foolish masses using the Jewish trap called "social media".

Mark Zuckerberg - obvious Jew luring out hundreds of millions of "Gentiles" to reveal their private information. Then again, the Jews have been tracking people's information online since day one.

Matthew Heimbach

Matthew Heimbach - Jewish spy and FBI agent who disguises himself as a "White man" to form a "White nationalist" movement. Heimbach's partner, Ashley Rae Goldenberg, is Jewish.

Christopher Cantwell

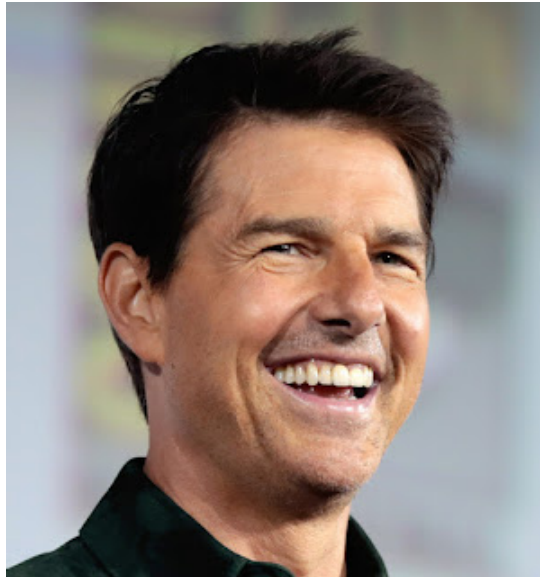

Christopher Cantwell - another Jewish spy who is a leader of the neo-Nazi movement.

Max Keiser - gives inaccurate information. Never mentions Jewish involvement.

Mel Gibson

Mel Gibson - Jewish actor who sells people the idea that he isn't a Jew.

Tom Cruise

Tom Cruise - another Jewish actor and deceiver. Cruise is a promoter of "scientology", which is just another "mind control" sect by the Jews.

Michael Hoffman - another shill who mentions Judaism is the problem, and not Jews.

Michael Savage (real name: Michael Weiner) - Jewish "disinfo" agent.

Michael Tsarion - comes up with alien galactic nonsense.

Mike Delaney

Mike Delaney - another Jewish shill spouting nonsense. Tags along with Eric Hufschmid.

Mike Rivero

Mike Rivero - another Jew distributing half-truths/disinformation. If he claims that Ashkenazi Jews are the problem, why did this Sephardic Jew himself marry an Ashkenazi Jewish woman?

Naeim Giladi - an open Jew who rejects "Zionism" but never mentions Jews as the problem.

Nick Clegg

Nick Clegg - another Jewish shill who says that Jews are not the problem.

Jordan Peterson: "Most of my friends are Jewish."

Jordan Peterson - another popular academic shill, who of course never mentions his own race as the problem. Not to mention he's a famous psychologist and academic, and nearly all famous psychologists and academics are Jews. He also claims that Jews are the smartest "ethnicity" on the planet.

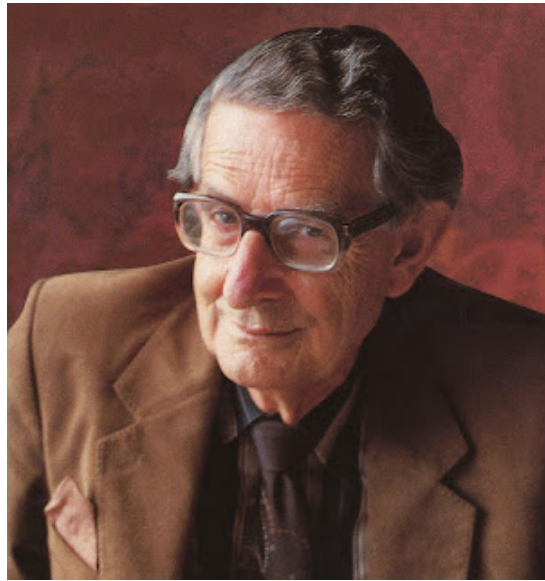

Linda Howarth

Linda Gottfredson (real name: Linda Howarth) - another Jewish psychologist who uses data from IQ tests to claim that Jews are smarter than all other "ethnicities". If Jews are as smart as they claim to be, why have they never contributed a positive idea to the world? Looking at the history of the Jews one is impressed only by the destruction, depravity, lechery and corruption this race has wrought on the planet. **The IQ tests are all created by the Jews,** so it should only be expected that Jews score highest on those tests.

## Richard Herrnstein

Richard Herrnstein - another Jewish academic shill and co-author of *The Bell Curve*.

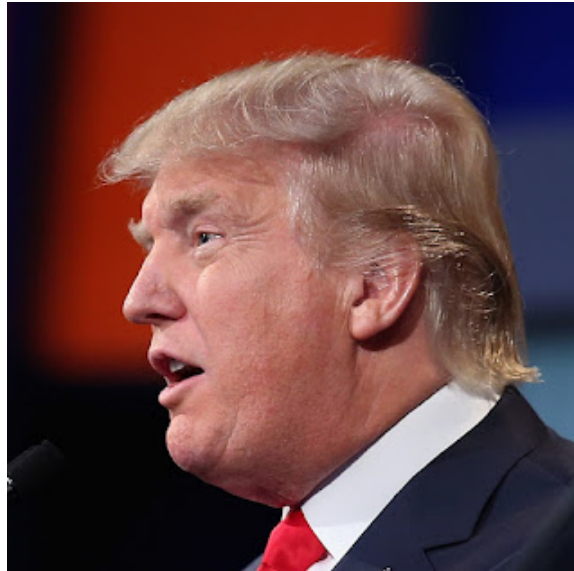

Hans Eysenck

Arthur Jensen

Donald Trump

Donald Trump - another Jew who tries to shift the blame away from Jews by claiming "migrants" and "Muslims" and "Mexicans" are the problem.

While Trump doesn't admit to his Jewish roots, his own admission as to his Jewishness isn't necessary in order to mark him as an obvious shill who works for Jewish world interests.

Trump somehow never points to Jews as the problem. The likely fact that hundreds of millions of non-Jews support or admire him, despite his obvious connections with wealthy and prominent Jews and his omission of the real world threat should give an indication of how easily the masses are fooled even when so little of the necessary clues is being hidden from them. He tries to distract us from the real source of problems by blaming "migrants" and "Muslims" and Mexicans, or any racial group except his own. Anyone who thought, or expressed the idea that Jew Trump was ever a savior for anyone except the Jews can legitimately be referred to as a Jew, a deceiver (many

but of course not all of whom are Jews) or as something resembling a moron. A shill does not need to hide much when the people he fools is apathetic or stupid.

It was Sheldon Adelson, a Jewish investor and business executive described as a "major backer of Israel's prime minister Benjamin Netanyahu", who was the largest donor to the Trump presidential campaigns of 2016 and 2020.

See also this post: [Jewish Presidents](#).

Marine Le Pen

Marine Le Pen - Jewish shill in France who is president of the Front National and an open supporter of the Jews. Same story of diverting attention away from the Jewish Problem by referring to "Muslims" and "migrants" as the problem. The biological father of Marine's niece, Marion Maréchal-Le Pen, was Roger Auque, who was an agent of the Jewish Mossad.

Le Pen with fellow Jewish kin Louis Aliot

Herve Ryssen

Herve Ryssen - another Asiatic-looking Jew in France who is a supporter of the Front National.

Geert Wilders

Geert Wilders - Jewish shill from the Netherlands who makes no effort to hide his love for the Jews.

Thierry Baudet

Santiago Abascal

Santiago Abascal - Jewish leader of the Vox party in Spain who tries to divert attention away from the Jews.

Alice Weidel

Alice Weidel - Jewish leader of the Alternative for Germany (AfD) who worked for Goldman Sachs.

Paula Bieler

Paula Bieler - Jewish politician of the Sweden Democrats party.

Tomio Okamura

Tomio Okamura - another Jewish shill who popularizes the idea that "Muslims" are the problem.

Daniel Friberg

Daniel Friberg - Jewish CEO and co-founder of Arktos Media, which publishes the works of shills like Alexander Dugin and Guillame Faye. Friberg also co-founded the Alt-Right Corporation in partnership with Richard Spencer, another Jewish shill.

Csanad Szegedi

Csanad Szegedi - Jewish member of political party Jobbik and former Member of the European Parliament. Szegedi resigned from all political posts in Jobbik after admitting of his Jewish roots.

How many more of the so-called "far-right extremists" or "racist nationalists" are Jewish or partly Jewish?

If the people who lead these so-called "racist" movements cannot even distinguish a Jew living among them, what is their purpose of trying to promote an ideology based on racial awareness when they themselves fail at it?

Viktor Orban

Viktor Orban - Jewish Prime Minister of Hungary.

"Paying a reciprocal visit to Israel a year after hosting Prime Minister Benjamin Netanyahu in Budapest, Orban reaffirmed that Hungary would show 'zero tolerance' for anti-Semitism.

"All of the Jewish citizens in Hungary are under the protection of the government,' Orban said, according to a Hebrew translation of his remarks to reporters in Hungarian at the start of talks with the right-wing Israeli leader.

"We are proud that in Hungary, self-identifying Jews, who celebrate and

preserve Jewish tradition can feel safe,' he added."

Mateusz Morawiecki

Mateusz Morawiecki - Jewish Prime Minister of Poland.

Matteo Salvini

Matteo Salvini - Jewish Deputy Prime Minister and Minister of the Interior of Italy and Member of the European Union. Naturally, this Jew places blame on any other group except his own.

Nick Griffin

Nick Griffin - crooked-eyed Jewish shill who insists that Jews are not a problem. At best will talk about "Zionism", but if the BNP is truly anti-Jewish, why was a Jew named Patricia Richardson on its council?

Nigel Farage

Nigel Farage - rat-faced Jewish leader of the Brexit Party and a member of the European Union. The entire "Brexit" scandal is really part of the Jewish strategy for them to keep hold of their current control over the world.

"In 2014, Steve Bannon set up Breitbart News in London with the specific intention of helping and supporting Farage's campaign to take Britain out of

the EU. The money came from Robert Mercer, the Jewish hedge-fund billionaire who would go on to become the single biggest donor to the Trump campaign."

Jim Dowson. He bears a resemblance to Glen Beck, another Jewish shill.

Jim Dowson - founder of Britain First, another Jewish political organization that puts the blame on "Muslims" and "migrants" rather than Jews. Dowson has been described as "the invisible man of Britain's far right".

## Katie Hopkins

Katie Hopkins - a hook-nosed Jew who tries to divert attention away from Jews by blaming "migrants" and "Muslims".

In November, 2017, Hopkins gave a speech at the David Horowitz Freedom Center in Florida, saying, "It's such a pleasure to be amongst people that are prepared to fight for their country", while blaming a "Muslim mafia" supposedly controlling parts of Britain.

Noam Chomsky

Paul Watson

Paul Watson - a member of Infowars, which means he's in "cahoots" with Alex

Jones.

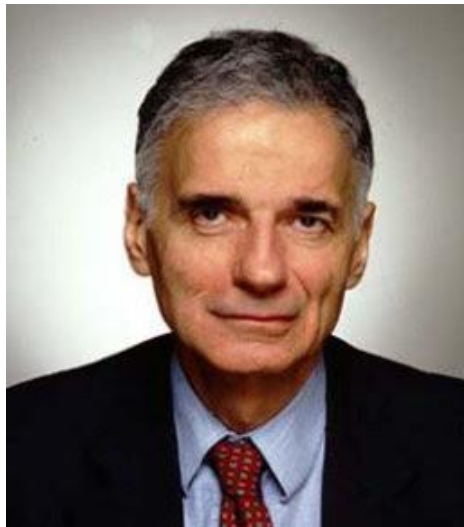

Peter Joseph

Peter Joseph - founder of the Zeitgeist movement, which is nothing but half-truths.

Peter Schiff - Jewish shill who supported the "Occupy" movement.

Project Camelot team - an all-inclusive couple, where everything goes. They are not selective in who/what they research.

Ralph Nader

Ralph Nader - another Jewish shill who spouts half-truths.

Henrik Palmgren

Henrik Palmgren and Lana Lokteff - founders of Red Ice Creations. They are "all-inclusive, everything goes". No discernment in their information. From aliens, to crop circles and all the other conspiracy "theories".

Red Ice has been around for over 15 years. Before a couple years ago, when Red Ice suddenly out of the blue started producing programming about "White nationalist" ideas, Red Ice exclusively produced programming about Bigfoot/paranormal/UFO/miscellaneous conspiracy topics.

Almost all, if not all of the commentators on Palmgren's network are Jewish shills.

Red Ice TV also received its vast following from the use of social media, which no truly Jew-opposed network could possibly have attained, being that the social media sites are all controlled by Jews. His YouTube channel (which is now terminated), which had hundreds of thousands of subscribers, remained active for years while thousands of other lesser-known channels were being deleted for exposing the Jewish agenda.

Lana Lokteff

Lana Lokteff - Henrik Palmgren's husband and the co-host of Red Ice.

Lokteff/Loktev is a Jewish surname. Lana Lokteff's father's full name is "Ruben Joseph Lokteff". "Ruben" and "Joseph" are both Hebrew names. Plus, Lokteff's face is clearly Jewish. One Jewish facial element she possesses is her slightly crossed eyes, which are a common physical feature among Jewish women (e.g., Barbra Streisand). Her blonde hair color is fake. Lokteff's fake blonde hair seems to be the primary factor obscuring her Jewishness to her legions of male followers. Because of this, Lokteff's fake blonde hair essentially amounts to a sophisticated psychological operation.

"Sadly, these guys haven't stood up to their Truth-telling claims. They invite dodgy guests on such as Jordon Maxwell and Angelo Gage and other pseudo-Truthers. We are all about getting the Truth out to a broader audience, but their 'all-inclusiveness' is ridiculous. Henrik just doesn't challenge his guests when they come out with huge clangers. Lana stated something to the effect 'that speaking the Truth isn't working'. This is just unacceptable at this stage. We absolutely have to be accurate. I feel they, like others have just got on the bandwagon by mentioning the jews and then diverting us."

Stefan Molyneux

Stefan Molyneux - popular "conservative" commentator who tries to control the narrative. Molyneux has admitted to having Jewish parents. Tries to discount Jewish involvement in society as being the result of the "high IQ" of his race.

Jason Kessler

Jason Kessler - a mentally ill Jew who was the main organizer of the faked 2017 Charlottesville "Unite the Right" rally, who was previously a left-wing Democratic Party, pro-Obama agitator. Very likely a Jewish intelligence

operative of some sort.

James Alex Bloom

James Alex Fields, Jr. (real name: James Alex Bloom) - another Jewish "neo-Nazi" and "White nationalist". Bloom was allegedly responsible for the staged 2017 Charlottesville car attack.

"It looks to me like they did a nearly flawless job. Someone on the 'left' side of the conflict died, which made the 'right' side of the conflict look like murderous psychopaths."

Anders Breivik

Anders Breivik - Jewish perpetrator of the staged Norwegian 2011 "terrorist" attacks. All the "mass shootings" and "terrorist attacks" reported in the Jewish media are staged by Jews.

Supposedly, Breivik also had contact with the Christchurch Mosque "terrorist" Brenton Tarrant. Tarrant visited Israel in 2016.

Rob Ravero - another Jewish half-truther.

Steve Qyayle - clear disinformation, steering people away from the Judaic angle.

Stewart Swerdlow - "dodgy" disinformation. Charges extortionate fees to propagate half-truths.

Ted Gunderson - "dodgy" spreader of half-truths. In alignment with Alex Jones.

Texe Marrs

Texe Marrs - another shill most likely in "cahoots" with Alex Jones and Jeff Rense.

Jean-Francois Gariepy

Jean-Francois Gariepy - Jewish host of *The Public Space* who "calls for the creation of a white ethnostate in the US and Canada". Jeffrey Epstein gave Gariepy US \$25,000 for his "White nationalist" project. Gariepy's "life history" was featured in the Jewish news website *The Daily Beast* with his own collaboration. Allegedly, he was in a relationship with a mestizo woman who had mental retardation ("autism") and attempted to get her pregnant. His partner is now a Jew named Elora Patoine. He got his education, a Ph.D. in neuroscience, from Duke University and did research there. The schools, universities, and "research" institutes are all controlled by Jews. His channel regularly features guests who have been exposed as shills, like Mike Peinovich, Andrew Anglin, Richard Spencer, and David Duke.

Gariépy with hook-nosed, curly-haired

Jew Elora Patoine

"At the time of the Jeffrey Epstein VI Foundation's funding, Gariépy's YouTube channel was branded 'NeuroTV' and featured content about neuroscience. Before sliding into white nationalism, Gariépy was a researcher at the Center for Cognitive Neuroscience at Duke University. Now, Gariépy's channel is frequently home to figures like former KKK leader David Duke, alt-right podcast host Mike Peinovich, and white nationalists Greg Johnson and Richard Spencer."

Walid Shoebat - Palestinian Jewish terrorist posing as a Gentile Christian.

Webster Tarpley - another half-truther who just will not mention the magic "J" word. Yet makes a career from his work.

Nick Bougas

A. Wyatt Mann (real name: Nick Bougas) - Jewish shill who produced "racist" and "antisemitic" cartoons in the late 1980s and early 1990s, including the "Happy Merchant" drawing, which are widely reused as memes by "White supremacists" and the "alt-right". If he is opposed to the Jewish cause, why is his partner a Jewish woman by the name of Sandra Weinberg?

Ben Garrison

Ben Garrison - another Jewish shill who makes cartoons for the "alt-right" and "White nationalist" movements.

Ezra Levant

Ezra Levant - Jewish founder of *The Rebel Media*. Levant previously worked for a Jewish tobacco company. He has been heavily involved in the Jewish legal industry concerning issues of "free speech".

Zander Fuerza

Zander C. Fuerza of Zion Crime Factory - another shill who states Zionism is the problem, when Zionism is simply the support of Israel as a Jewish homeland, and in spite of the fact that Jews are infesting all countries and not just Israel.

Gavin McInnes

Gavin McInnes - another Jewish shill who worked for Alex Jones and InfoWars. McInnes used to be a regular on *The Greg Gutfeld Show* on Fox News, used to write for *The Federalist*, which was founded by a Jew named Ben Domenech, and used to work for *The Rebel*, which was founded by Ezra Levant, a Jew, and has even visited Israel on multiple occasions. After leaving *The Rebel*, McInnes started his own show, *Get Off My Lawn*, which was launched by the *Conservative Review*. *The Conservative Review* is controlled by Mark Levin, a Jew.

James O'Keefe

James O'Keefe - Jewish founder of Project Veritas. Project Veritas was funded by Jewish donors, including Nina Rosenwald, an investor and top executive at the William Rosenwald Family Fund.

Zecharia Sutchin - propagates the "Annunaki" myth.

Norman Finklestein - another Jew controlling the dissent.

Robert Friedman

Robert Friedman - Jewish spy who plays god cop in Russia.

Ron Paul

Ron Paul - rat-faced Jewish politician pretending to be a "White man", who is

also a physician/medical doctor (a gynecologist, or a perverted "student" of women's bodies to be more exact). It shouldn't need to be mentioned that the medical field (especially gynecology) is Jew-controlled.

Ryan Dawson

Tali Fahima

Tali Fahima - a Jew who allegedly converted to Islam. A Jew who converted to Islam is still a Jew. You can't change genes by changing religions.

Thomas Richards

Thomas Richards - a "spiritual Jew" who wants to counter anti-Jewish statements.

The hooked nose, thick eyelids, and protruding lower lip are all you need to see.

Tom Metzger - a Jew who disguised himself as a "White Supremacist" to lure more people into a trap.

Metzger appeared in an interview on CNN in which he was seen hugging the reporter. The video has since mysteriously disappeared on the Internet.

Vladimir Putin

Vladimir Putin - Jewish president and the most powerful shill from Russia who doesn't mention the Jew at all. Has Jews around him left and right.

Volodymyr Zelenskyy

Volodymyr Zelenskyy - Jewish actor and current president of Ukraine who plays the role of a hero. Dramatics and politics are the same to these Jews.

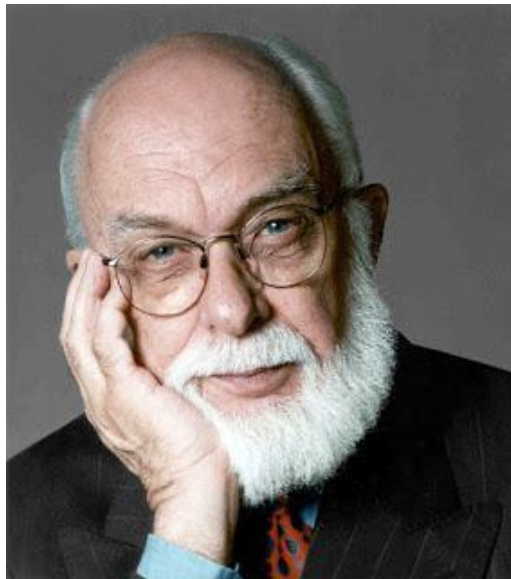

Michael Slay (real name: Joshua Goldberg)

Weev (real name: Andrew Auernheimer)

Andrew Auernheimer - Jewish webmaster for *The Daily Stormer*.

James Randi

James Randi - another Jew trying to normalize "Pedophilia".

Richard Dawkins

Richard Dawkins - defends "mild pedophilia" and says it does not cause lasting harm. Popularizer of atheism/rebelliousness among the masses. Not only are his movements probably deception meant to lead the masses to uncontrolled passions, Dawkins even supports "pedophilia".

Christopher Hitchens

Paul Kurtz

Paul Kurtz - founder of Prometheus books which publishes books on "normalizing" sexual deviousness. Also involved with the skeptic movements like CSICOP, now known as CSI. Also involved with people like Richard Dawkins and James Randi.

Ron Abbass

Ron Abbass - another Jew with his own blog who insists "Zionists" are the problem.

Laura Eisenhower

Laura Eisenhower - Jewish "conspiracy theorist" and relative of Jewish US president and general **Dwight David Eisenhower** who never mentions Jews as the problem.

Barry Goldwater

Barry Goldwater - just another "conservative" Jew who tried to give the masses the impression that they had a choice in politics.

Patrick Little

Patrick Little - a Jewish shill who seems to have appeared out of nowhere to run as Senator for California. Speaks Yiddish and Hebrew. Allegedly, he is Jewish from his father, William's side. He has a very Jewish-looking brother named David, who is a realty sales associate and real estate professional.

Note the Jewish/Asiatic/Middle Eastern facial appearance: Crossed eyes, puffy lower lip, hooked nose, sensual eyelids.

Samaria Ruiz - Patrick Little's Jewish campaign manager who is also friends with "neo-Nazi" Tim Gionet. Ruiz was a paid contributor to a "White nationalist" and "alt-right" organization called the Red Elephants.

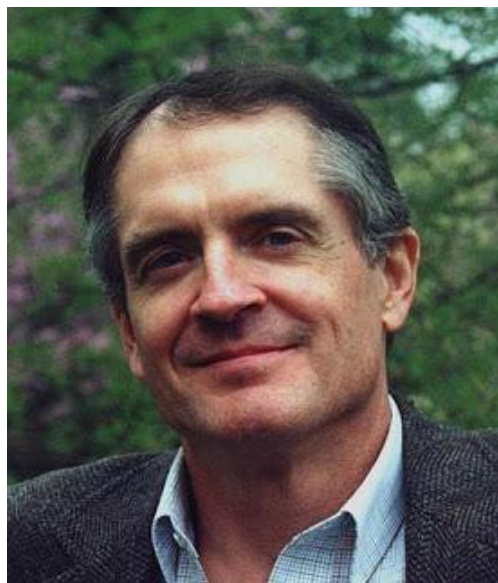

Peter Brimelow

Peter Brimelow - founder of VDARE. Anyone who is Jew-aware could tell Brimelow's a Jew by outward traits alone, not to mention he was a writer and editor for the Jewish-owned *Forbes*, *Financial Post*, and *National Review* publications.

Arthur Kempf

Arthur Kemp - founder of Ostara Publications, former spokesperson for the British National Party (BNP), and a member of the "White nationalist" organization National Alliance (which was founded by William Pierce, a Jew, who is listed below). Never mentions Jews as the problem and even claims a Holocaust against Jews happened. Not surprising when considering Kemp's face could easily pass as that of a Sephardic Jew.

Jared Taylor

Jared Taylor - founder of New Century Foundation, owner of the *American*

*Renaissance* publication.

Taylor is another Jew who tries to avert attention from his own tribe by saying that migrants, "Blacks", and "Muslims" are the problem. He is also a graduate of Yale, a top Ivy League school. The Ivy League universities are thoroughly dominated by Jews. Taylor also has been successful in business and financial matters in the Far East.

Besides being Jewish himself, Taylor is also Jewish by marriage to his wife Evelyn Rich (look up the surname "Rich" - we already know which group controls the world's finances). His wife even contributed an article for the Jewish Southern Poverty Law Center where she "denies" her Jewish roots - what a joke! He denies this publicly by saying that his wife is not Jewish, but refers to her religion, not her race. Taylor has Jewish writers and never mentions the Jews behind the problems of race and eugenics which he espouses. It should not come as a surprise that his YouTube channel (which is now terminated), which had over 100,000 subscribers remained active for years on that Jewish-controlled site. All the YouTube channels with "edgy" content like Taylor's have remained active because the Jews wanted them to be there. Why else would the Jews not terminate their channels, as they have done with thousands of other lesser-known ones?

"Jared Taylor, editor of the white nationalist magazine *American Renaissance*, has addressed the Mencken Club [the president of which is the Jew Paul Gottfried, who has been listed above]. Taylor told the Forward that 'White Jews are white.' Some Jews, he has written, 'see themselves as men of the West who will fight to preserve European civilization.'"

Many of the writers on *American Renaissance* are openly Jewish, as are many of the authors Taylor and his associates source in their publications. As just a few examples, for sale on AmRen's website are two books by openly Jewish authors: *Why Race Matters* by Michael Levin, former professor of philosophy at City University of New York, and *The Color of Crime* - probably the most influential AmRen publication - by Edwin S. Rubenstein. There are many other examples one can give as to the Jewish "scholarly" and "intellectual" deluge which pervades this as well as countless other websites, publications, journals, and so on.

Another Jew with a rat face.

William Pierce - another Jewish "White nationalist" and "intellectual". Pierce founded the National Alliance and wrote *The Turner Diaries*, which Timothy

McVeigh (the "perpetrator" of the faked Oklahoma City terrorist attack in 1995) was allegedly inspired by. Compare photos of Pierce with Chomsky, another Jewish "intellectual", and note the resemblance.

Ben Klassen

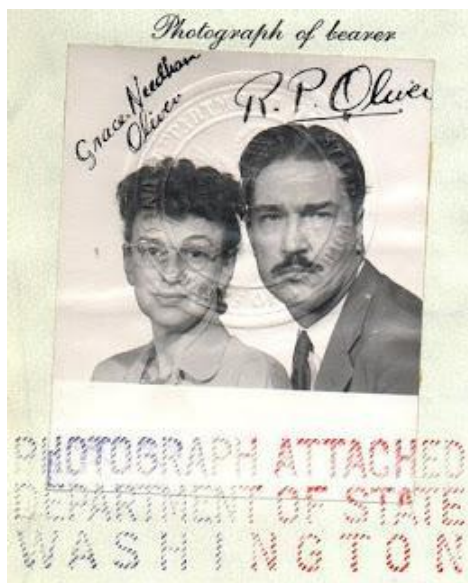

Ben Klassen - Jewish shill from Ukraine who became famous as a "White supremacist religious leader".

"Ben Klassen was born in 1918 in the Ukraine, to a wonderful Jewish family. When he was six, he and his family fled the Ukraine to try to start life anew in Saskatchewan, Canada. He was 22 when World War Two started, and as with most Jewish men, he sat the war out in college. He later joins the John Birch Society - which is now known as a 'smokescreen for the Jews'. Next, he moves to Florida and participates in George Wallace's 1968 presidential campaign.

"In 1973, Klassen formed the COTC with the publication of a 511-page tome entitled 'Nature's Eternal Religion'.

"Klassen runs his church for 20 years without any trouble from the ADL and such. In 1992, he decides to sell his North Carolina headquarters compound to William

Pierce, head of the neo-Nazi National Alliance. Klassen turns the church over to a Mr. Wilson, who fires him and replaces him with a Richard McCarty, a telemarketer."

Revilo Oliver with an obvious Jewess.

Revilo Oliver - another fake "White nationalist" and atheistic Jewish "intellectual". Notice the Asiatic facial appearance on Oliver. Besides this, no non-Jew could get a career at a university and lecture all over the country while openly protesting against Jews. Oliver even corresponded and was on friendly terms with a Jew named William F. Friedman. Unsurprisingly, the Wikipedia Jews seem to have retracted this significant clue from their article about Oliver.

Oliver suffered from leukemia, which is a type of blood cancer to which Jews - the Ashkenazim in particular - appear to be disproportionately susceptible.

Dr. Revilo Oliver, right, shows speech class the Chemistry Lecture Series (occupying the parallel) at the appearance of Robert Kennedy's great son, Sen. JACQUES, JOHN MARTINO, Dr. HANCOCK PATTON, M.D., center, who now practices medicine in Chicago, Ill., appeared with supporting members about medicine in Cuba and a story about the new flight to the U.S.

Revilo Oliver shaking hands with South Italian Jew John Martino (note the low, sloped forehead and flat back of the head on Oliver).

Revilo Oliver

Oliver "wrote that as an adolescent, he found amusement in watching evangelists 'pitch the woo at the simple-minded', attending performances of Aimee Semple McPherson and Katherine Tingley."

I had a better photo of Long which shows a sloped forehead, but can't find it now.

Huey Long - 1936 presidential hopeful who was allied with Catholic priest Charles Coughlin.

Charles Coughlin

Charles Coughlin (?) - spoke out against Jews, yet promoted the lie that Jews were being persecuted by the Nazis. Coughlin was also accepting of Jews who had converted to Catholicism. (Possibly only a misled non-Jew?)

George Rockwell

George Lincoln Rockwell - founder of the American Nazi Party. Rockwell publicly said he had Jewish contacts and that not all Jews are evil, and was granted appearances on Jewish television and radio outlets. Non-Jews don't get publicity for protesting Jews.

Rockwell's father "knew and entertained many Jewish performers. For example Jack Benny, George Burns, and Groucho Marx attended Lincoln Rockwell's christening".

Francis Cohn

Frank Collin (real name: Francis Cohn) - Jewish Midwest coordinator of the National Socialist White People's Party, later known as the American Nazi Party, and founder of the National Socialist Party of America.

"In April of 1977, Collins demanded to march through downtown Skokie, the largest enclave of Holocaust survivors in America.

"From April 1977 through June of 1978. ABC, CBS, and NBC, bombarded us nightly. Jews were weeping, Nazis were goose-stepping, and endless legal battles fought by Jewish ACLU lawyers defending the Nazis, and the right of Freedom of speech."

Daniel Burros

Daniel Burros - another Jewish member of the American Nazi Party.

"Burros was a real hot-headed proponent of the long-defunct Third Reich. After a stint in the Army, he became involved with the American Nazi Party. He rose to second-in-command of the American Nazi Party and was a Grand

Dragon with the Ku Klux Klan.

"Burros wanted to assassinate prominent Jews, whom he calls 'society's disease.' Luckily, the newspapers spread his diabolical plot before the assassinations.

"It turns out Daniel Burros was a nice Jewish boy from Queens who somehow went from being his Rabbi's star pupil to being a top 'Nazi'. In 1965, following Burros' arrest at a KKK event in New York City, it was disclosed that he was Jewish. He was shot and the fellow Jews claimed Burros took his own life."

Savitri Devi

Savitri Devi - Greek Jew who allegedly converted to Hinduism and was a promoter of Jewish occultism. She collaborated with both the Allies and the Axis during World War II and claimed Hitler was a hero. Devi was a leader of Nazi underground movements during the 1960s.

Miguel Joaquín Diego del Carmen Serrano Fernández

Miguel Serrano (real name: Miguel Joaquín Diego del Carmen Serrano Fernández) - an early example of a Jewish shill who supported the Nazi Party, and later became a prominent figure in the neo-Nazi movement as a promoter of "Hitlerism".

Serrano is considered "the most important figure" in "esoteric Hitlerism" within the neo-Nazi movement after Savitri Devi.

Michael Isaac Peinovich

Michael Enoch (real name: Michael Isaac Peinovich) - Jewish "neo-Nazi" and

"White nationalist" and founder of the "alt-right" media network *The Right Stuff* and podcast *The Daily Shoah*. Previously, he worked for the online marketing company Oddcast, which was founded by a Jew, Adi Sideman. His wife is also Jewish.

Martin Sellner

Martin Sellner - Jew from Austria who is a leader of the "alt-right" movement.

Andrew Greenbaum

Davis Wolfgang Hawke (real name: Andrew Greenbaum) - Jewish founder of the "neo-Nazi" groups Knights of Freedom and the American Nationalist Party.

Bill White

Bill White - another Jewish neo-Nazi and "White supremacist".

White is the leader of the American National Socialist Workers Party, "an ADL/SPLC front" used by the Jews to "incite violence against minorities". He was raised in a Jewish neighborhood, attending predominantly Jewish schools.

According to one source, White has "close ties with known FBI agent provocateurs like David Gletty, who while working directly with the FBI formed a 'neo-Nazi march through the streets of Parramore that stirred up anxiety in Orlando's black community and fears of racial unrest that triggered a major police mobilization.'" The Jewish media eagerly recites his words.

William Anthony Hovater

Tony Hovater (William Anthony Hovater) - another Jewish neo-Nazi and member of the "White nationalist" community.

Mark Weber

Mark Weber - another Jewish shill who claims a Holocaust against Jews happened.

Jan Lamprecht

Jan Lamprecht - a rat-faced neo-Nazi who promotes the Jewish propaganda called "White Genocide" and tries to "attack" Jews online to garner sympathy for the Jews, and to give the Jews more headlines to help justify the censorship of real anti-Jewish individuals. Also promotes the idea that "Communists" and "liberals" are the problem to divert attention away from his own tribe. Lamprecht allegedly does shows with the Jewish "White nationalist" Linder.

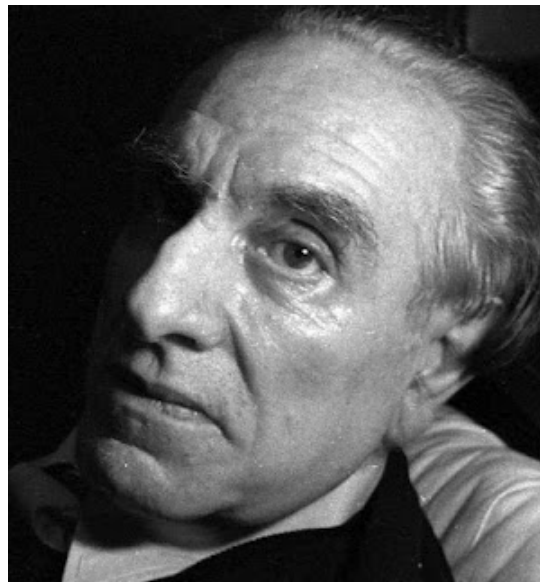

Lamprecht is also based in South Africa. The Jews have a very large presence in South Africa and this has been the case since "Dutch" settlers began moving there in the 17th century. The "White nationalists" who defend South Africa and paint it as a "White person's paradise" during the Apartheid never seem to mention this when they speak of the "White South African minority", many of whom are Jews whose families have been living in South Africa for centuries. Many of these are secret Jews, to be sure.

Brent Bozell

Brent Bozell - another "conservative" Jew who blames the "big media" and "corporations", yet somehow always forgets to mention the Jewish race controlling these organizations.

Julius Evola

Julius Evola - a South Italian Jew who was a Fascist and a supporter of the Nazi Party, and an early example of shill who denied the existence of a Jewish race and claimed that a Jew could be salvaged by acquiring an "Aryan soul". Evola supported the views of the openly Jewish writer Weininger. It certainly is not by chance that he is often quoted by members of his own race within the "alt-right", "White nationalist", and neo-Nazi movements.

George Floyd

George Floyd - a Jew pretending to be an African man whose staged murder was used to promote hate and violence between non-Jews and the Jewish propaganda called "systemic racism". The only systematic race prejudice that has constantly pervaded every human society is that by Jews against non-Jewish races.

Joseph Saladino

Joey Salads (real name: Joseph Saladino) - another "conservative" Jew and Trump supporter with a South Italian surname. Uses the typical "divide and conquer" strategy by making staged videos meant to encourage conflict between races.

Keith Alexander

Keith Alexander - another Jewish "White nationalist" and co-host of *The Political Cesspool*, a "White supremacist" radio show that features obvious Jews like Pat Buchanan and Jared Taylor and is supported by Don Black's Stormfront.

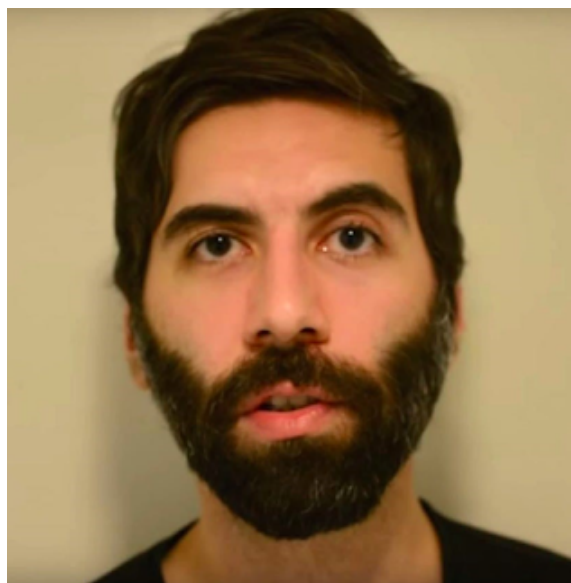

James Edwards

James Edwards - Jewish founder of the previously mentioned "White nationalist" radio show *Political Cesspool*. Note the TV channel he is speaking on in the photo above. No real anti-Jewish person has a chance of getting his voice heard on mainstream media.

Edwards boasts about being acknowledged by Jewish media outlets on his Twitter profile, but the fact that he was promoted on CNN, Fox News, MSNBC, *The New York Times*, and *Washington Post* and that Jew-controlled Twitter hasn't suspended his account should make it obvious to any Jew-aware individual with knowledge of these platforms what race he really is.

Daryush Valizadeh

Roosh V (real name: Daryush Valizadeh) - another Jewish sexual degenerate who tries to appeal to the lowly instincts of the masses as an "alt-right blogger". Valizadeh promotes Kevin MacDonald's work.

Tucker Carlson

Tucker Carlson - a famous Jewish shill trying to exploit the masses' emotions.

Joseph McCarthy

Joseph McCarthy - Jewish shill who blamed the world's problems on "Communists". Never acknowledged Jewish involvement in the Communist ideology, not to mention their hand in other debauched activities and movements.

Dan Stein

Chris Langan with South Italian Jewish wife Gina LoSasso. If he is a "white nationalist" like the Jews claim, then why is his wife a hook-nosed South Italian Jew?

Chris Langan - another charlatan promoting half-truths. Laments the education system and the universities yet says nothing about the Jewish domination of these institutions. Contributes little or nothing of value to support his claims of a Herculean intellect. Openly expresses support for Trump despite his obvious Jewish connections. Quotes from and praises Jews throughout his work and makes no effort to inform his followers of the Jewish Problem. Repeats the same nonsense about "globalists" and "elites". Also claims that Jew Einstein was a genius.

Langan has also been mentioned by openly Jewish publications like *The Forward* (which claims that he has ties with the "alt-right" movement - a clue for the Jew-aware reader) and is promoted by countless mainstream, Jewish-controlled publications and news outlets as "the world's smartest man".

I'm sometimes accused of insufficiently "naming the Jew". I'm getting tired of it. Truth is my middle name, and I'll name whomever I want, whenever I want.

**Comment** (regarding my last post): "The end of the bankers' sounds like the end of the bankers who are not Jews."

**Response:** Most of the Big Bankers are (secular) Jewish Zionists. That's why I sometimes refer to them as "Big Jew, Inc.". (The banksters amount to a global metacorporation.) However, they are to be distinguished from ordinary Jews, many of whom are decent people who, while they are conditioned to support the Big Jews without question, are not in on the scam. They merely follow orders, just as the Germans are accused of having done in connection with WWII. The rewards they receive are relatively minuscule.

This distinction is important. It's the only thing that can stop Big Jews from scapegoating their own middle and lower classes as they have done on many past occasions. It's what they do, they do it well, and now they've made scapegoats out of the entire White race. But people are awakening, fingers are being pointed, and so the true situation is being actively obscured with accusations of "racism", "antisemitism", and so forth, blurring the distinction beyond the capacity of many people to see it.

Obviously, this is not to the advantage of non-Jewish Whites or the Jewish people themselves. Look at Jews - they're White. They're also a bit smarter than average, because that's how they were bred. Under the tribal strictures of Jewish culture, reproduction was a (largely unwitting) form of eugenics. But with the eugenics came dysgenics, as the Jews were also systematically bred to be dutiful, compliant, and obedient to their nefarious money-shuffling elites. This is why Jesus, who broke out of the Jewish mindset with a freer way of looking at things, pleaded "Forgive them, for they know not what they do!"

The point is that whereas non-Jewish Whites have always been more or less resistant to parasitic divergence, the Jewish mainstream has been subjected to it for literally thousands of years. As allowed by Jewish culture, elite patriarchs withheld their daughters from free-thinking men and their sons from free-thinking women, thus controlling the traits of their offspring. Meanwhile, they crafted an exclusory ideology to maintain the status quo. With effort, this outcome can be reversed, and true social justice restored.

Granted, we need an orderly society with dutiful and conscientious citizens. But we also need freedom of conscience, or true creativity is dead and human life means nothing. The parasitic banker class has now revealed that it values neither human life nor the best interests of humanity, hence is not good enough to be running the world.

It's not rocket science. The ancestral banksters simply did to the Jewish people what is now being done to Whites in general. It's time that the proper distinctions were made, and symmetry restored on behalf of all concerned.

Chris Langan: "Trust me, truth is my middle name and my IQ is 95 points higher than yours! Jews are poor white victims of globalists and elites too! They're also smarter than everyone else! Feel sorry for them, don't hate them!"

Langan's wife Gina LoSasso is a South Italian Jew who previously was married to a Jewish chess "grandmaster", Ben Finegold.

With an IQ supposedly between 190-210, can such ignorance as Langan shows about the Jews be really excusable? Clearly, his claims to great intelligence and his behavior do not match up. Similar to many Jews, he boasts about having "super high" intelligence yet makes no effort to tell the truth about the Jewish international crime network.

The fact that Langan claims to be an independent researcher who openly hates academia and the current administration should make us more suspicious of his behavior. If this were really the case, shouldn't his "super high IQ" and his professed ability to speak out without fear of punishment from those in power be enough to compel him to spread the truth about the Jews?

Richard Lynn

Richard Lynn (?) - has written and contributed good scientific work on eugenics and human races, but doesn't do anything to expose the truth about Jews. Promotes the propaganda that "Ashkenazi Jews" are the smartest people on the planet. Again, if Jews are so smart, why has their behavior always been so repulsive, and why is their "contribution" to humanity so negative?

In a book he has written called *The Chosen People* (2011), Lynn has also spread the (Jew-created) idea that Jews are the most persecuted group in history. May just be misled, or a non-Jew secretly working for the Jews (there are probably more of these than we might assume). If the latter is the case, he may just be "playing along" with the Jews so that they do not censor his research on race and eugenics entirely. If this is true, one can hardly be sympathetic. You can't tell the truth about "race" without telling people the full truth about the Jews, and their deceptive behavior and destructive world influence as it relates to racial matters.

Edward Dutton

Edward Dutton - claims to be an honest investigator of race, yet his description of the Jews is far from adequate. Like Lynn, he claims that "Ashkenazi Jews" are the smartest people in the world. Dutton has also promoted the Jew MacDonald's work, and has even collaborated with open Jews Paul Gottfried and Ron Unz. Like MacDonald, he also refers to Jews as an "ethnic group" rather than a race. Does nothing to dispute the Jews' own claim that a "Holocaust" against them really did happen.

Dutton's work has been promoted by the Jews at *American Renaissance*. Dutton owns a BitChute channel where he promotes the typical Jewish degeneracy. It is also interesting that the Jews at Amazon.com haven't banned Dutton's books. What would that suggest?

Payton Gendron

Payton Gendron - Jewish "perpetrator" of the "mass shooting" in Buffalo, New York in May, 2022. The shooting supposedly took place in a mainly African American neighborhood which Gendron intentionally targeted to initiate a "race war".

In his manifesto, Gendron expressed support for the "Great Replacement" propaganda invented by the Jew Renaud Camus. His ideological views were supposedly also inspired by *The Daily Stormer* run by Andrew Anglin, another Jewish shill, and after "visiting" the Internet forum 4chan founded by the Jew Christopher Poole. Gendron even expressed commendation for the Jewish "terrorists" Anders Breivik and Brenton Tarrant, who are known to have close connections with Jews. Supposedly, 28 percent of Gendron's manifesto was stolen from other sources, especially Tarrant.

The Jewish "white nationalist" Jared Taylor later tried to "justify" this "shooting" at his popular website *American Renaissance*.

The story is so typically in line with common perceptions the Jewish media has fed to the masses that it's like a farce to the real Jew-aware person.

As with every other "White nationalist" or "neo-Nazi" who gets publicity by the Jewish media, it turns out Gendron is just another Jewish shill trying to stir up conflicts between human races, where there should be none. Simply look at their

associations, their connections, the publicity they get, the propaganda they support, and tell me whether these people are not Jews.

Someone asked me if Jan Lamprecht was a Jew. Before receiving this message, Lamprecht was unknown to me. According to the same message, this Lamprecht does shows with the Jew Linder, whom I have already mentioned, and tries to "incite violence" on the Internet. A little research shows that he is based in South Africa, promotes the Jewish nonsense called "White Genocide", and the Jewish news outlets, including the South Africa Jewish Report are acknowledging (and thus promoting) him and his website. He appears to be under prosecution in South Africa for allegedly "attacking" a Jewish professor from South Africa online. Based on these facts, as well as the Jewish appearance of the specimen in question, Lamprecht must be a Jewish shill.

**REPLY****Anonymous** *September 13, 2021 at 9:20 PM*

You have got it right. The Jews are an intolerant race. It may have been beneficial if they were merely intolerant of bad things - but their contempt for the actions of others grows from their hatred of the true and good, and their goal to foist their malignant ideas upon humanity.

Someone had told me he or she believed GoyimTV and BitChute are Jewish. The GoyimTV.tv website was not familiar to me, so I have just looked it up. Though the site's theme that non-Jewish humans must work together towards some solution to the Jewish Problem seems most expedient, it appears to be filled with the same profligate and dishonest material characteristic of Jewish dominance, including "cult" videos portraying the Jew Hitler as a hero. With the Jewish media's coverage of the site and its founder, Jon Minadeo, who appears to be another South Italian Jew attempting to lead dissenters, it is likely another "false flag" operation to further censor actual Jew-opposed persons and give such persons an ill name while giving the Jews more "anti-Semitic" news stories to moan about. GoyimTV is Jewish.

On the other hand, I am hesitant to believe that BitChute is Jewish.

Atomwaffen definitely looks shady if you have heard of them. Everything about this video looks fake and scripted.

What is your opinion of Miguel Serrano? If you apply his own words, he was a Jew; given his great-grandfather was named Castro.  
<https://www.geni.com/people/Diego-Serrano-Castro/6000000013082064553>

"Let's look at Fidel Castro. He is a Jew, since the name, although from Galicia, and then it may not be, is Jewish almost always." - p. 426 of Adolf Hitler: The Ultimate Avatar.

"The leaders of the revolutionary movements and terrorists in Latin America are also 'Marranos'. Castro Ruz is one, belonging to a family of clandestine Jewish doctors, some of whom were condemned by the Inquisition. The Spanish Jewish Encyclopedia says so. Nevertheless the encyclopedia does not want to reveal that all the Castros are Jews, nor all the Sanchez, nor the Perez, nor the Pereira, nor the Suarez or Soares. The true name of the Crypto-Jew, the convert 'Marrano', must be otherwise, having only adopted Spanish, Galician, Basque or Catalan. The same way as they act in Germany. The Jew has appropriated a false Visigoth, Portugese, Arab, Chinese or Japanese name." - p. 308 of MANU: For the Man to Come.

**Contra Jewish Correspondent** *October 11, 2021 at 7:51 PM*

Thank you for the comment. You supplied some interesting information.

No, I have not heard of the "Atomwaffen Division". But the fact that the leader of this "Atomwaffen" organization, James Nolan Mason, was mentioned by the Jew-owned NBC television station KUSA would make it clear that he is either of these three things:

- 1) a Jew,
- 2) a "useful idiot" for the Jews, or
- 3) a non-Jew who is secretly working for the Jews.

I suspect a clear majority of people given attention by the Jewish media (all their media, and not just the television stations and films which they are most known to control) fall under the first category.

One should be suspicious of persons with very common-sounding, almost "stereotypical" names like "James Mason". Many of these people are likely to be secret Jews trying to "blend in".

The Miguel Serrano figure you mention was not familiar to me until now. "Serrano" sounds like a name typical of the South Italians, many of whom are secret Jews. A little more research shows that it is also a name found in Spain and Portugal. Spain and Portugal have large secret Jewish populations too, though I doubt the proportion is as high as it is in Southern Italy.

To look further into the actual history of this particular figure, it seems he was from Chile, sympathized with the Nazis and Adolf Hitler, and later became famous as a neo-Nazi figure, similar to the Jew Savitri Devi whom I have already listed. Was Serrano a Jew? His face looked quite Jewish and the surname, as I mentioned, is suspicious; besides this he became a devoted promoter of "Hitlerism" and is still considered a prominent figure in the Jewish-controlled neo-Nazi movement. All this is sufficient proof for him to be considered a secret Jew and a shill. Thus I will include him in this list.

Fidel Castro is not relevant to this post. The fact that he was a Communist can make it clear to anyone to what race he was loyal.

The quotation you include at the end is interesting. I have been suspecting for a while that many, if not most of the criminals, drug fiends, gangsters, terrorists, and revolutionary agitators, who are corrupting Mexico and the Central and South American lands are secret Jews.

Though this is not an issue directly related to this post, and while I do not wish to stray much from the main topic of the original post, there is a very important question for all the honest and patriotic citizens of these countries to consider: How many of the criminals and vile miscreants who are at work debasing your countries are Jews in disguise? It is a matter to be considered honestly by those possessing the insight and intelligence required. The American Indians - those true Indians (not "Latinos" or "Hispanics", which are Jewish terms) native to these lands - must consider the Jewish Problem as much as any other human race for the well-being of their nations. How many of the "conquistadores" or those later settlers from Spain, Portugal, or Italy, were Marrano, converso, or secret Jews? What proportion of the present populations of the Mexican, Central, and South American nations are descended from these Jews? Whatever the proportion, the apex is certain to be the section of these societies most fraught with Jews, subverting these countries like all other parts of the world.

**Contra Jewish Correspondent** *October 11, 2021 at 10:21 PM*

I was mistaken about your reason for mentioning Castro; he was only mentioned in reference to a different figure whom you suggested may have been Jewish, Miguel Serrano. My apologies for the misunderstanding.

**Anonymous** *October 12, 2021 at 3:05 AM*

The quote was in reference because in his own words, ALL with the last name Castro were Jews, and that geneology site (if it's legit) shows his great-grandfather had that name. Serrano also seemed very influenced by Blavatsky (Jew?).

As for Mason, he reminds me a bit of Richard Spencer with how he had cameras following him. Everything about him sort of screams "agent provocateur". Plus him being named

"James Mason" (like the British actor that starred in Lolita about pursuing teenage girls) and being caught with underage girls + partying with cops seems like he is some kind of actor pushed forward to look nuts. Also being connected to Charlie Manson shows another arrow towards being an intelligence asset.

Are you familiar much with the Creativity movement? Harold Covington (someone who was very suspect himself + involved in Combat 18 + Skokie march) claimed Ben Klassen was a Jew. I have no idea if that's the case, but I do know about Slavs and mongol + Ashkenazi admixture. Matt Hale also appeared on TV a few times.

I wonder if any opposition has been legitimate at all. I assume anyone who is probably gets virtually no publicity.

**Contra Jewish Correspondent** *October 12, 2021 at 6:43 PM*

Blavatsky may have been a Jew. Many leaders of these "Occultist" organizations are almost certain to be Jewish. Their very philosophies depend on Jewish sophistry and tedious and nonsensical statements designed to hide the important facts, and waste people's time.

It is an interesting connection you make between these two Masons which I didn't realize and their relationship to sexual degeneracy. Most "pedophiles" and other sexual degenerates might be Jewish. It is unfortunate that most of them are never given the justice they deserve since the "justice" system is dominated by their race. One might wonder why this "White supremacist" Mason would be charged and convicted as a criminal if he was Jewish. In cases like these, the Jews are likely trying to give the actual Jew-aware folks a bad name. The fact that "James Mason" is seemingly still around and busy doing his work in spite of his criminal past is sufficient for us to question his motives.

It's hard to believe that works of filth like "Lolita" by Nabokov, who may well have been a Jew are hailed as "classics". It seems the more filthy - the more "Jewish" - something is, the more the masses are attracted to it and praise it.

I know nothing about this "Creativity movement" you mention. Not only is it tiring, but it is useless to read all these "esoteric"

and "cultist" blogs on such subjects. One shouldn't spend much time with them, as their purpose is to waste people's time.

The Eastern European countries are filled with Jews too, though most of them have "mixed in" with Europeans and other Asiatic races like the Mongols, making it more difficult for us to recognize them. One hardly hears of Jews in Ukraine nowadays, though I have little doubt that a large proportion of its population is of Jewish ancestry. They simply never admit it in public. It's even more complicated since most of these Jews have adopted the surnames of their host cultures. I actually expect it to be easier for the Jews to control the Slavic countries, as they've already killed off the best of the human populations there since at the early 20th century. Next to the much more civilized and intelligent English and Frenchmen, say, which have been under mainly Jewish influence for decades now, controlling the Eastern European countries should certainly not be too difficult for the Jews.

"I assume anyone who is [real opposition] probably gets virtually no publicity." And I cannot disagree with you.

**Anonymous** *October 13, 2021 at 3:04 AM*

You may have seen his Bob Larson interview. Where he sort of played this "boogiemán" character. We also know Barry Dubin/Nikolas Schreck was on there as well.

<https://www.youtube.com/watch?v=lpG8SFT0N4A>

The Creativity movement is a bit forgotten now, but Craig Cobb was involved with it. I sort of wonder if things like the National Alliance and others only exist to try to corral people towards living in these books aka in fantasy land. Sort of seen with the Turner Diaries or Harold Covington's offshoot Northwest novels. You may also be familiar with the phrase "Rahowa" from Creativity. This site may also interest you.

Unfortunately, nearly all regions have been racially penetrated by the Jew at some point in history. But some more than others.

**Contra Jewish Correspondent** *October 13, 2021 at 6:14 PM*

I have heard of the "RAHOWA" ("Racial Holy War") slogan before. Probably many of these famous slogans and "catch phrases" which the masses typically associate with certain groups of people have been made up and/or made popular by Jews.

The National Alliance is Jewish because its founder, William Pierce, whom I have already listed, was likely Jewish. That organization has gotten far more public attention under Pierce than would have been probable for a genuinely anti-Jewish group.

The article you linked has some useful information. The part on Klassen is especially interesting. After reading more about Klassen, I might be justified when I add him to this list.

"Unfortunately, nearly all regions have been racially penetrated by the Jew at some point in history. But some more than others." Well, you're right about that. But there are also many parts of the world which people rarely associate today with

Jews, that are nevertheless "honeypots" for the Jews. Central and South America, Canada (probably nearly as, if not as Jewish-controlled as the US), Scandinavia, Australia, and the Middle East beyond Israel are a few larger regions that come to mind. It would be interesting to do a comparative study of the degree of "racial penetration" by the Jews of the various countries of the world. If there is anything like that already published I would be interested to hear of it.
